**Get the LATEST LOOK**

Looking to update your bathroom style? Keep it cool with a cool blue bathroom scheme that’s guaranteed to remain as stylish as it is practical. The latest colour crush, we love how teal creates a cool and calming look in both small and large living spaces. Rethink bathroom interiors by incorporating a combination of layers and textures, and colour block with a soft neutral shade and silver metallics to prevent blues from overpowering homes and appearing cold and uninviting.

**STYLE TIP**

Tidy up bathroom essentials with beautiful brass accessories; the angular lines of this hexagonal soap dish create a wonderfully distinctive look.

**STYLE TIP**

Towels are perfect for adding comfort as well as style to bathrooms. For an on-trend look, complement cool blue hues by adding a pop of colour and texture with stylish rose pink towels – guaranteed to give interiors a truly individual style.

**STYLE TIP**

Looking to update your bathroom style? Keep it teal with a cool blue bathroom scheme that’s guaranteed to remain as stylish as it is practical. The latest colour crush, we love how teal creates a cool and calming look in both small and large living spaces. Rethink bathroom interiors by incorporating a combination of layers and textures, and colour block with a soft neutral shade and silver metallics to prevent blues from overpowering homes and appearing cold and uninviting.

**STYLE TIP**

The Kai Lever Mono Basin Mixer takes up minimal space, keeping the basin surface clear for your bathroom essentials. Our taps are also extremely durable and are even water-saving, making them the perfect choice for a busy family bathroom.

**STYLE TIP**

A double door cabinet will maximise your storage space and large mirrored cabinets will keep things neatly tidied away.

Planning a family bathroom can be a daunting process. We understand the time and care it takes to choose the products that are just right for you and your family. Our clever storage solutions and extensive practical product ranges will help you choose the products that will work best for you and allow you to create your dream family bathroom space.

**Get the FAMILY LOOK**

From storage and sanitaryware to brassware and shower solutions, our extensive product range provides you with everything you need to create a highly versatile environment that still embraces the comforts and relaxation of a contemporary bathroom. Offering a diverse selection of products from Simpsons shower solutions, to Bauhaus WCs and durable Crosswater brassware, we guarantee your bathroom will ooze style without having to compromise on functionality.
WHY VISIT YOUR LOCAL BATHROOM SPECIALIST?

Designing, planning and buying a new bathroom should be a truly enjoyable and ultimately rewarding experience.

At Crosswater we believe that by far the best place to buy your bathroom is at an independent bathroom specialist, why?.....

1 EXPERIENCE & EXPERTISE
Specialist bathroom retailers offer a wealth of experience and skill to ensure you receive an impeccable and personal service throughout your bathroom project whatever the size, including help with installation and local tradesmen.

2 DESIGN CONSULTATIONS
Specialist bathroom retailers can offer knowledgeable assistance with room layout design and technical considerations - most will do this in the comfort of your own home. Many can provide full 3D design plans so you can visualise your bathroom before it’s fitted.

3 TEST DRIVE SHOWROOM DISPLAY PRODUCTS
Browse, touch and test a huge variety of bathroom products in comfortable surroundings, and receive qualified and fully trained advice on every aspect of the products - you simply cannot do this online.

4 AFTER SALES CARE
Once you have purchased from a bathroom specialist you can get personal and most importantly local after sales support.

PRODUCT QUALITY
TOTAL PEACE OF MIND

All Crosswater products are designed and produced to the most exacting British and European standards, covering performance, durability and safety. To back this up, all Crosswater products carry extensive guarantees, details of which are available at the back of this brochure, online, or by asking your local retailer.

THERE’S A LOCAL BATHROOM SPECIALIST NEAR YOU

There are almost 600 independent bathroom retail specialists in the UK. The ‘Where to Buy’ feature on our website allows you to find a dealer as close to home as possible.

PREMIER DEALER
These stores present the largest choice of our products locally, including approved dealer status for Digital, Mike Pro and Kelly Hoppen ranges. Some outlets display products and ideas within dedicated “Crosswater Shop-in-Shop areas”, some demo products are fully working and you can consult with fully trained salespeople on all aspects of your bathroom project.

Specialists in at least one of our brands, with most stores offering a wide range of Crosswater products from within high quality display settings including many of the products featured in this catalogue. Stores have knowledgeable Crosswater product experts available from initial visit through design and installation.

BAUHAUS IT’S ALL ABOUT YOU
STORAGE SOLUTIONS TO MEET YOUR INDIVIDUAL NEEDS

Offering excellent storage solutions with versatile designs, choose from an array of options. From extra wide units to full depth drawers with multiple layout concepts there’s a design to house all of your bathroom essentials.

FINISHES
A WIDE CHOICE

Choose from sleek high gloss and matt finishes or understated elegant wood finishes in light, mid to dark tones that perfectly complement any modern bathroom scheme. Created using the finest materials and advanced techniques, the quality of all finishes is of exceptional standard.

SINK/FURNITURE OPTIONS
INTEGRATED OR WORKTOP MOUNTED

Striking cast marble and ceramic worktop basins create a style statement or achieve a fully fitted look with an integrated design.
HIGH PERFORMANCE BASIN MATERIAL

An innovative new washbasin material made to face the challenges of everyday life, DUROCOAT® MATERIAL ensures the finest colour, performance, durability and strength for your bathroom.

BAUHAUS IT’S ALL ABOUT YOU
HIGHLY RESISTANT AND ULTRA HYGIENIC

DUROCOAT® MATERIAL
Offering 35% more durability thanks to its thick and compact layer, this high performance material protects the surface and ensures the smooth finish of your basin is maintained for years to come. Warm to the touch and fully de-aerated, this resilient material forms a uniform core structure from layers of identical density and durability that protects against cracking and any potential damage from everyday use or cleaning.

Not only is it beautifully smooth and very easy to clean, the DUROCOAT® MATERIAL is also extremely hygienic. With lower levels of porosity, the uniform surface prevents the build up of bacteria and dirt, resulting in a cleaner, safer bathroom environment.

THICKER COATING
COMBINING STRENGTH, STYLE AND DURABILITY

To meet the ever-growing demands of our customers, we are constantly looking to improve our products. We look for cutting-edge solutions and the very best quality materials that will cope with the demands of everyday life with ease. As a result, we have created a ground-breaking new material that combines strength, style and durability. A material that can be easily shaped to create beautiful products, yet remains shock resistant and maintains its quality for years to come.

LONG LASTING FINISH GUARANTEED TO RETAIN ITS GLOSS

The truly unique properties of the DUROCOAT® MATERIAL make cleaning and general maintenance easy and undemanding. Constant contact with water, cosmetics and chemical agents will not affect the perfect gloss of the surface and products are guaranteed to retain their shine and smooth finish year after year.

SCRATCH RESISTANT
IMPROVED RESISTANCE IN CONTACT WITH SHARP OBJECTS

Suited to even the busiest bathrooms, the DUROCOAT® MATERIAL offers an extremely high scratch resistance. With a solid and tough surface, the density of the top finish protects the core material from any accidental or unwanted damage.

www.bauhaus-bathrooms.co.uk
Combining sumptuous curves with elegant finishes, the Svelte furniture collection is a sleek and beautifully versatile range that will suit so many bathroom layouts.
Taking its cue from the latest colour trends, Bauhaus introduces its popular Svelte design in a new, silky smooth Matt Coffee finish. Complemented beautifully against Svelte’s signature curves and elegant marble basin, the warm, earthy tone works well in both classic and contemporary bathroom settings. The durable and hardwearing surface ensures a practical solution for everyday use, whilst the innovative ACTIVE anti-bacterial finish offers superior levels of hygiene.

THE NEW STANDARD IN FURNITURE DESIGN
Beautifully constructed, the top drawer of the vanity unit has a cleverly designed cut out space for the basin waste, ensuring you don’t lose out on any crucial storage space. Thanks to the wonderfully deep double drawers, all your bathroom essentials are stored close by and easily accessible, while the roomy basin work surface remains clutter free.
The graceful curves and silky smooth basin surface evoke a feeling of elegance, bringing a touch of chic style to contemporary or even more traditional bathroom designs. Up to the minute technology soft close drawer runners provide gentle, smooth and quiet closure at all times.
Manufactured using the highest quality materials throughout, Svelte furniture is available in three stunning finishes. Choose from the warm wood detail of the new exotic Eucalyptus finish or the ever-popular American Walnut option or opt for a crisp and timeless White Gloss shine.
MATCH SVELTE FURNITURE WITH SVELTE SUITES & TAPS
Full-depth drawers provide you with ample storage and transform your bathroom into a perfectly organised space.

A PLACE FOR EVERYTHING
Available in a range of sizes, the Svelte furniture collection will provide you with the perfect design to suit your space. Choose from the larger wave design or the fully curved unit to find the ideal shape and size for your bathroom.

BEAUTIFUL BASIN DESIGNS
STUNNING SHAPES AND SIZES

Available in four different size options, the Svelte vanity units are suited to all bathroom spaces. From the larger 1200mm wave design to the more compact 600mm single curved unit, this stunning collection will provide you with the perfect match for your on-trend bathroom décor.
Making the most of every inch of space, the Svelte Corner unit is the smart choice for smaller bathrooms. A hugely practical offering that will utilise most unused corners, Svelte’s elegant curves and sleek finish have been incorporated into this compact unit, without compromising on style or floor space. Deep double drawers provide ample storage for toiletries and cleaning materials, with up to 40kg capacity for heavier items, and come complete with soft close runners to provide a smooth and quiet closing motion.

UTILISING SPACE WITH SMART DESIGN
ANTI-BACTERIAL FINISH
ERADICATE THE INVISIBLE ENEMIES

On average there are more bacteria on one hand than people on earth! On non-protected areas the number of bacteria can double every 20 minutes, none more so than in the bathroom. One bacterium can generate a population of millions in 8 hours and thousands of millions in 12 hours!

Svelte veneer and lacquer finishes feature as standard a ground-breaking non-toxic and permanent antibacterial treatment called ACTIVE that complies with Europe’s most stringent quality standard ISO22196:2007. Active guarantees unlimited protection as the treatment is permanent and under tests reduces the proliferation of common bacteria by more than 99.9%.

Offering a look to suit all bathing spaces, Svelte Corner is available in four contemporary finishes: Matt Coffee, Eucalyptus, American Walnut and White Gloss. Complemented against the crisp white surface of the inset basin, opt for a minimalist look with a combination of white-on-white, or combine with the warm tones of the wood-effect finish for a luxurious appeal.

ON-TREND MINIMALIST STYLE

PIER

Exuding modern design alongside superior functionality, the Pier furniture range from Bauhaus offers a practical solution for bathrooms of any size. Crafted from high-quality water-resistant MDF with a specialist laminate worktop, the handleless design is defined by its seamless edges, ample under-basin storage and beautiful timber internal drawers, complete with a durable hard-wearing finish.

To find your local retailer please visit our website or see page 8 for more information. www.bauhaus-bathrooms.co.uk
Optimise storage for toiletries with full-depth drawers, finished in a contrasting plywood-effect timber. Available in both single and double drawer options, team with the coordinating Pier freestanding mobile storage unit for additional storage space and an extra work surface area. Each unit is supplied with a wall template to ensure straightforward installation, along with wall brackets featuring a 3-way adjustment and clever locking facility for the ultimate safe and secure fitting.

ARCHITECTURAL FORM WITH FUNCTIONAL STORAGE
Expertly crafted from hard-wearing and durable materials, the innovative MED (Marine Equipment Directive) laminate worktop offers a high-impact surface that is water, scratch and stain resistant, and comes pre-prepared for one, two or three tap hole installation. Complete with a sleek, virtually seamless undermount basin, which is factory-fitted to save time and reduce onsite work during installation, the white cast mineral marble is designed to coordinate beautifully with the range of Bauhaus WCs.

SUBLIME DESIGN AND PERFORMANCE

CELESTE

Featuring a high lustre gloss and organic, curvaceous design with soft close drawer and door closing. Celeste also has a wide choice of optional extras and is supplied fully assembled.
Merging contemporary lines with soft natural tones, the new Pebble finish in our Celeste range brings a new dynamic to bathrooms. Finished in genuine ash veneer, the subtly curved surface beautifully depicts the wood’s organic graining for a modern appeal.

NATURAL APPEAL IN INVITING TONES
Meticulously crafted from the finest real wood veneers, American Walnut adds instant grandeur to bathroom interiors with its warm, rich and natural wooden tones. Emulating a modern classic with its prevailing finish, Celeste’s Tower unit is ideal for additional storage needs. Featuring soft close operation and four height adjustable internal shelves, it’s also ideal for those seeking a sleek, minimal bathroom and optimum concealed storage.

Beautifully shaped and utterly luxurious, Celeste has been designed to perfection to meet the growing desire for a softer deluxe style. Available in four high quality finishes that ooze striking appeal, the Celeste basin is one of the largest of the Bauhaus basin furniture offering three spacious size options with unrivalled storage availability. Featuring delicate curves that exude stylish opulence, the Celeste range is complemented with plentiful Tower Storage Units and curved mirror styles.

**BAUHAUS IT’S ALL ABOUT YOU**

**HANDY STORAGE OPTIONS FOR ALL YOUR BATHROOM ESSENTIALS**

From large family bathrooms to a compact en suite, there’s a storage configuration to suit all requirements. With extra wide units and full depth drawers with multiple layout concepts, there’s a design to house and compartmentalise all of your bathroom essentials.

**BAUHAUS IT’S ALL ABOUT YOU**

**BASIN OPTIONS**

Choose from three basin options, all with the same product appeal and performance

- **Cast Mineral Marble**
  Highly defined visual style with amazingly accurate manufacturing tolerances. Bright white gloss finish for those seeking the ultimate bathroom statement.

- **Fine Fireclay**
  Fine white fireclay ceramic basin tops, perennial favourite of designers – sleek and simple providing classic enduring beauty. 100% produced in Italy.

- **Celeste PLUS+ TON Ceramic Basins**
  A new standard of ceramic material – the surface is completely scratch proof, stain proof, slip proof as well as almost 100% eco-friendly. The core fire clay has been specially formulated to create the densest, strongest yet smoothest ceramic.

**MADE IN ITALY**

**DESIGNED FOR THE UK**

Transform your bathroom into a cool, uber stylish space with Celeste in Black Ash, which complements modern wall and floor coverings perfectly. Offering excellent storage with its extra wide unit, Celeste is available with a variety of optional extras designed to suit all storage needs. The large drawer has a removable organiser that turns a single drawer space into four orderly compartments that can be set anywhere in the drawer to create different sections.

LUXURIOUS CURVES
SPACIOUS STORAGE
BAUHAUS IT'S ALL ABOUT YOU
360° ALL ROUND THE ULTIMATE CERAMIC

Created from a single fusion at temperatures of 1,250°C, PLUS+TON comes to life. A brand new standard of ceramic material that is recyclable and is 100% eco-friendly. The surface is completely scratch-proof and stain-proof. Industrial invention patent No. AN2014A000135.

BAUHAUS IT’S ALL ABOUT YOU
100% MADE IN ITALY - DESIGNED FOR THE UK

The surface is 100% scratch-proof and guaranteed to keep the same brilliancy of finish as the day it was installed. Each basin is rigorously tested against abrasion and scratching, time and time again tests prove perfect resistance properties that exceed the requirements of the current industry standards. Simply clean scratches with a scoring pad and water.

Scratch-proof

Stain-proof

Bacterial resistant

Eco-friendly

BAUHAUS IT’S ALL ABOUT YOU
THE IDEAL MATCH

The very latest in sculpted ceramic design, Svelte WCs are the perfect match for Celeste furniture. Offering amazing smooth lines and sensual shapes, the pure and natural design is the perfect WC solution for a contemporary bathroom. Up to the minute seat styling with soft close. Manufactured in Italy, the beautifully crafted range reflects international design, combining eclectic style with innovative modern technology for a new sophistication in WC design.

BAUHAUS IT’S ALL ABOUT YOU
HYGIENIC & BACTERIA RESISTANT
ERADICATE THE INVISIBLE ENEMIES

On average there are more bacteria in one hand than people on earth! On non-protected areas the number of bacteria can double every 20 minutes, none more so than in the bathroom.

PLUS+TON includes Bacterclean® as standard a revolutionary non-toxic antibacterial treatment, achieved by the high temperature glaze process. Bacterclean® complies with the world’s most stringent quality standard JIS Z 2801:2000 (ISO 22196:2007).

TOUGH STAIN & LIMESCALE PROOF

Whether colouring your hair or painting your nails any spills can be cleared up within 72 hours without leaving a stain.

PLUS+TON is non-porous making it virtually impossible for any solvent or liquid even bleach to penetrate the glazed finish and it prevents the build-up of limescale deposits. Stains are simply removed with water leaving the tray as good as new. Certified stain proof according to the UN/MSDS regulation.

MODULAR VERSATILITY

ESSENCE

The beauty of Essence is its enormous versatility to combine multiple design configurations that incorporate single or double basins, variance of drawers and tower units, all to suit your needs. The unique strong grain texture and characteristics of Essence are imbued in four smart finishes to complement all schemes.
With the Ebony wood effect finish, you can achieve the aesthetic beauty of real wood with the additional benefit of incredible durability - essential for all bathroom environments. Fusing classic design with contemporary style, the dark tones of Ebony create a luxurious feel within the bathroom. Blending style, quality and practicality, the stunning LED illuminated mirror features a clever steam free function.

Complete the look:
- Essence Basin Monobloc: £349.00
- Essence 50 Back Lit Mirror: £305.00 (see page 229)
- Svelte Wall Hung WC with Soft Close Seat: £335.00 (see page 198)
NATURAL TONES CREATE A RELAXING SPACE

The natural tone of the walnut finish perfectly complements the elegant contours of Essence, creating a serene ambiance in the bathroom to ensure your pampering heaven is perfect. The rich colour of the real wood veneer instantly warms up the room and is a classic choice for the bathroom. Pair with sleek chrome handles for a sophisticated storage feature.
Integrated fine ceramic washbasins and soft close or smooth push-to-open drawers are just some of the clever features of Essence that attributes to its award winning design. Supplied fully assembled with reversible left or right hand door openings and a 2-way drawer adjustment, this range conveniently and effortlessly integrates into any bathroom scheme.

BAUHAUS IT’S ALL ABOUT YOU
NUMEROUS LAYOUT CONCEPTS

Incorporate a multitude of tower and short height storage units with numerous layout concepts that effortlessly streamlines any space. The modular design of Essence enables you to choose a design format that perfectly suits the size of your bathroom, your needs and storage requirements.

SMART STORAGE SOLUTIONS

Just a few of the layout options possible with Essence. All single door units are universal left/right hand opening; the design variations shown can all be achieved without having to specify door opening format.
Multifunctional with versatile compartments, Essence is ideal for bathrooms with restricted space as well as those looking for a simple vanity and storage layout entwined into one. The Essence wall hung unit adds character and convenience, whilst simultaneously organising and de-cluttering the space.

HIGH CALIBRE STORAGE SOLUTIONS
Essence 40 Unit
Single drawer basin unit
Soft close pull to open Chrome finish handle
w 400 x d 350 x h 505mm (520mm height with basin)

Essence 40 Basin

ELITE

A masterpiece of modern design, the breathtaking Elite range hosts an assortment of storage options for bathrooms with limited space. Featuring vast under basin storage coupled with smart handleless doors and drawers, Elite also offers wall hung storage units that allow you to maximise space underneath.

To find your local retailer please visit our website or see page 8 for more information

www.bauhaus-bathrooms.co.uk
Just when you thought white couldn’t get any better, Bauhaus relaunches its definitive Elite furniture range in a new, bright white gloss finish. A tone that never dates, the crisp lacquered surface merges seamlessly with the angular white basin, creating a minimalist look that will coordinate effortlessly with the modern bathroom. Coupling sleek handleless drawers with the design’s wall hung positioning helps to create an illusion of space and light, perfect for smaller bathrooms, or those with no natural light.

THE NEXT GENERATION OF WHITE
A generously deep single drawer offers plenty of space to store away clutter, whilst the soft close, push-to-open door allows easy access to the interior with a smooth gliding motion. Complete with the ‘odour-free’ waste fitting, the Elite gloss white basin unit is completed with the coordinating Pier monobloc tap in contemporary chrome and white.

SMOOTH, SOPHISTICATED TONES

The versatile Anthracite finish perfectly teams with any décor theme, whether it be contemporary monochrome or natural wood tones; it’s a beautiful storage solution that brings sophisticated style to the bathroom.
BAUHAUS IT'S ALL ABOUT YOU
PUSH DRAWER OPERATION

Just a gentle push will reveal abundant storage space behind contemporary handleless door and drawer fronts. The under basin drawer boasts a reduced height back panel to ensure easy installation and easy access for service. The storage units feature height adjustable interior shelving and are universally hinged to suit any bathroom requirement.
Paired with a pure white basin and smart charcoal grey drawer interiors, the white gloss finish is perfect for today’s style-conscious customer seeking a fresh aesthetic. With its glossy, reflective surface and angular lines, all Elite basin units feature a generously sized bowl that is offset to the left, creating handy worktop space for keeping everyday essentials close to hand.

BAUHAUS IT'S ALL ABOUT YOU
WC Furniture
The Design range of WC furniture effortlessly streamlines and completes the bathroom. The height adjustable WC furniture units also allow for cisterns to be concealed providing a stylish interior. You can also optimise unused space around the WC with the practical range of slimline cabinets.
CONTEMPORARY AND COMPACT

SOLO

Compact in size but big on style, Solo features intelligent proportions for optimum storage space. Available in a choice of four stunning colours, Solo is hand polished in a striking high gloss lacquer.

To find your local retailer please visit our website or see page 8 for more information: www.bauhaus-bathrooms.co.uk
Modern and minimal with subtle curved edges and a practical worktop space, Solo features hardwearing high gloss basin units that are taller in height than most units of this size. Full depth drawers are smooth to open, can accommodate weightier bottles and boxes and are supplied completely assembled.

To find your local retailer please visit our website or see page 8 for more information.

www.bauhaus-bathrooms.co.uk
SIMPLE YET ELEGANT

A high-gloss, soft grey finish blends perfectly with white bathroom suites and enables you to experiment with coloured walls or tile features. With its neutral tones, the quartz vanity unit will also complement a monochrome theme with style. Its light tone and gloss finish reflects light and creates an illusion of more space in compact areas or bathrooms.

BAUHAUS IT’S ALL ABOUT YOU

DE-MISTING MIRRORS

Eliminating the inconvenience of mist, each mirror design features demisting pads that are automatically activated with the mirror’s lights. The pads gently warm to just above room temperature and the demisting effect will spread approximately 10-20% further than the pad itself, so you can continue to enjoy a bit of pampering.

BAUHAUS IT’S ALL ABOUT YOU

TIMELESS WHITE

Classically elegant, white is forever fashionable when it comes to bathrooms. White is the perfect choice for a flexible scheme as it allows you to easily add a hint of colour or display your favourite bathroom accessories. A popular choice for smaller spaces, a white bathroom scheme also helps to illuminate the room, whilst the glossy finish bounces light around the bathroom.

To find your local retailer please visit our website or see page 8 for more information    www.bauhaus-bathrooms.co.uk
Classic in its inspiration, Waldorf is a truly evocative bathroom collection. Combining exquisite craftsmanship with early twentieth-century styling, the new Waldorf furniture range has been expertly designed and produced in Europe to represent the ultimate in bathroom luxury.

Evoking a timeless feel, elegant curves are blended seamlessly with the era’s signature angles to offer a superlative range of vanity units, storage towers and WC furniture. Finished with the pioneering ACTIVE antibacterial lacquered treatment, the range comes in two sophisticated tones of piano black and gloss white, perfectly catering to advocates of traditional design.
Choose from striking Piano Black and Gloss White finishes, hand-applied for a luxuriously reflective surface.
Create a complete bathroom look with the stunning range of coordinating brassware, ceramics and illuminated mirrors.
Opt for the modernity of wall-hung furniture or stick with tradition and choose sculpted chrome legs.
Generous interior storage with handy dividers, beautifully crafted from stunning Makassar wood.

SUITES

Beautifully crafted ranges with individual style
Classic in its inspiration, Waldorf is a truly evocative bathroom collection. Combining exquisite craftsmanship with early twentieth-century styling, the new Waldorf furniture range has been expertly designed and produced in Europe to represent the ultimate in bathroom luxury.

Completing the iconic range’s offering, Waldorf presents a selection of elegant WCs, statement basins and sanitaryware. Striking bevelled edges are combined with wonderfully curvaceous silhouettes to evoke a timeless feel that is sympathetically reflective of the era.

To find your local retailer please visit our website or see page 8 for more information.

WILD

Exquisite suite & basin collection

A stunning example of pure Italian design, Wild is the latest collection of bathroom suites and basins that continues to push the boundaries of innovative ceramic design. Presenting the very latest in superior manufacturing techniques, style, function and performance expertly combined to offer a range that is as visually appealing as it is functional.

RIMLESS WCS

MADE IN ITALY

RIMLESS = EASY TO CLEAN

To find your local retailer please visit our website or see page 8 for more information. www.bauhaus-bathrooms.co.uk
Crafted from the highest quality vitreous china, the new range of Wild WCs feature a sleek, curvaceous silhouette teamed with a genuinely comfortable seat. The innovative rimless bowl provides superior flush technology to ensure the very best in hygiene function, ensuring 100% of the flush water is used to clean the toilet bowl whether on a full flush or eco-friendly half flush.
All Wild wall and floor mounted WCs feature a streamlined rimless bowl – no rim means there’s nowhere for germs and limescale to hide, making it ultra hygienic and effortlessly easy to clean. The latest fluid flush mechanisms also provide a powerful horizontal and vertical water stream to ensure coverage across the entire surface of the bowl without splashing.

SMART RIMLESS DESIGN

BAUHAUS IT’S ALL ABOUT YOU
INNOVATIVE DESIGN

Thanks to the ingenious water distribution system, you can reduce water wastage without affecting performance. The dual flush uses the standard 6 and 3 litre volume of water down to an impressive 4.5 and 3 litre usage. This function guarantees a considerable amount of water saved per flush, whilst meeting all current UK and European standards.

THE ESSENCE OF ITALIAN PANACHE

Used in the finest designer hotels across Europe, the curvaceous contours and characteristic shape is the essence of Italian panache. With wall mounted and floor standing options, Stream II is enduringly designed to lift and unify a bathroom scheme.
A NEW SOPHISTICATION IN WC DESIGN

SVELTE

The very latest in sculpted ceramic design, Svelte is sleek, curvy and genuinely comfortable. Offering amazing smooth lines and sensual shapes; the pure and natural design is the perfect WC solution for a contemporary bathroom. Up to the minute seat styling with soft close. Manufactured in Italy, the beautifully crafted range reflects international design, combining eclectic style with innovative modern technology for a new sophistication in WC design.

To find your local retailer please visit our website or see page 8 for more information

www.bauhaus-bathrooms.co.uk
To achieve a modern look that beautifully complements the Svelte range, the coordinating WC furniture streamlines the entire space and conceals unsightly working parts of cisterns. With only the beautiful flush control on display, WC furniture is a clutter-free solution that adds an element of clever design combined with style. Easy to install, there’s a choice of frame sizes to suit larger rooms and ultra-slim designs for those seeking a more sleek, minimalist look.

**LUXURIOUS DESIGN**

Introduce metallics into your bathroom with the new exclusive platinum WC. Featuring a high-gloss, reflective, platinum exterior glaze, the sleek design is truly distinctive and an ideal choice for those who want to add a touch of glamour to the bathroom. Perfectly suited to modern decor schemes, the innovative platinum design combines practicality and style and is a fully functional alternative to regular white ceramic WCs. Pair up with the Serene Platinum basin to create a luxurious look that is guaranteed to make a statement within interiors.

FUNCTIONAL ITALIAN DESIGN

TOUCH

Minimalist cubist shapes and simple linear design channel utilitarian style. Designed and manufactured in Italy and tailored to UK homes, Touch excels with luxury features such as practical deep basins and soft close seats.

To find your local retailer please visit our website or see page 8 for more information www.bauhaus-bathrooms.co.uk
SIMPLE INSTALLATION
SYSTEMS FOR ALL SURFACES

From large new build family bathrooms to modernising a bijou en suite, the ease of installing Bauhaus flushing systems ensures that your project runs smoothly. Time and cost effective, frames can be built into a wall cavity or placed in front of a wall using a clever cistern surround. If you want to tile a wall, select a waterproof frame surround that can also be tiled. Alternatively, for a completely harmonised bathroom scheme, simply choose a surround to match your Bauhaus furniture.

SAFETY FEATURES FOR CHILDS ROOMS

When selecting your child’s room, it is important to ensure their safety. The following safety features are recommended:

1. **Flooring:** Choose non-slip, moisture-resistant flooring to prevent accidents.
2. **Furniture:** Ensure all furniture is stable and secure to prevent tipping.
3. **Cabinets:** Install safety latches on cabinets to prevent child access to dangerous items.
4. **Electrical Outlets:** Cover outlets with safety covers to prevent electric shocks.
5. **Toys:** Keep toys in a designated play area to prevent choking hazards.
6. **Windows:** Install window guards to prevent children from falling out.
7. **Heat Sources:** Keep heat sources, such as radiators, at a safe distance to prevent burns.
8. **Bathrooms:** Use non-slip mats and ensure the bathroom is well ventilated to prevent accidents.

At Bauhaus, we take great pride in placing the utmost care and attention on the technical functions ensuring every precise detail performs beyond your expectations. To create a completely desirable bathroom, it’s a worthwhile investment to incorporate technically advanced structures that are easy to install. The range is designed specifically for UK homes, featuring an array of innovative designs and installation features, which is why our products are renowned for excellence in design and quality. Lifestyle changes and technological advancements have transformed bathrooms from a purely functional space into the most indulgent retreat in the home. The installation systems ensure that only the stylish features are on display— they’re also quick and easy to fit with superior flushing performance.

**SIMPLE INSTALLATION SYSTEMS FOR ALL SURFACES**

From large new build family bathrooms to modernising a bijou en suite, the ease of installing Bauhaus flushing systems ensures that your project runs smoothly. Time and cost effective, frames can be built into a wall cavity or placed in front of a wall using a clever cistern surround. If you want to tile a wall, select a waterproof frame surround that can also be tiled. Alternatively, for a completely harmonised bathroom scheme, simply choose a surround to match your Bauhaus furniture.

See page 216 for WC furniture.

**LAYOUT VERSATILITY SYSTEMS FOR ANY SIZE BATHROOM**

Whatever the size or shape of your bathroom, Bauhaus fitting systems can be utilised in any bathroom to safely install a WC that suits your lifestyle. The smart and versatile systems mean that you can take your design aspirations and make them a reality. Easily install a toilet right next door to a shower by having the cistern concealed in a wall or fit the WC into an awkward corner with the ingenious angled bracket. The back-to-wall WC is perfect for complementing the WC cisterns when concealed within furniture or a cavity.

See page 212 for wall hung WC frames.

**WALL HUNG SUPPORT FRAMES SPACE SAVING DESIGNS**

Wall-mountedWC’s are becoming the favoured choice of style-savvy homeowners and designers. Open up the smallest of spaces or enhance larger bathrooms by creating more floor space, which instantly creates the illusion of space. For busy family bathrooms, it’s also quicker and easier to clean.

Wall hung WC frames, see page 212.

**EFFICIENT QUIET & ECO-FRIENDLY**

As with all Bauhaus products, installation systems offer an array of outstanding features and benefits. All cisterns are extremely quiet with an option to install pads to deaden any sound even further. They also feature dual flush technology, so you can choose how much water you use, which can also cleverly help you to save even more water by simply adjusting the larger flush to the reduced water volume setting. Plates are available in a choice of designs and colours to complement your bathroom scheme and to suit your taste.

Press the large button and flush with the entire water volume.

Press the Eco button and flush with a reduced three-litre volume.

**CHOOSE DUAL FLUSH TECHNOLOGY AND USE UP TO 50% LESS WATER**

BAUHAUS IT'S ALL ABOUT YOU

SPACE SAVING SOLUTION

If you’re looking to save even more space, or if you have a restricted wall cavity, the super slim line frame and wall cistern offer the perfect solution. With a depth half the size of a standard frame, it’s just a sleek 80cm.

For WC’s fitted underneath a window or perhaps an awkward space, flush function plates can operate from three different heights regardless of the support frame height.

BAUHAUS IT’S ALL ABOUT YOU

CHOOSE BETWEEN THREE FLUSH PLATE HEIGHTS

ULTRA SLIM 1.18m height frame
WCFSX1180-VS £329.00

THE FINISHING TOUCH
SMART DETAILS

There’s a wide choice of flush plate styles available to beautifully complement any bathroom design. Completing a well-dressed bathroom, look to match brassware, WC contours or décor, to suit your own personal taste. Compatible to both framed and concealed cisterns, they feature an ingenious yet simple connection method to ensure high performance and functionality every time. An eco friendly option, the dual-flush function helps you reduce water consumption, whilst cisterns are supplied at 6 and 3 litres for further water saving capabilities. Part G compliant to meet water consumption regulations, all cisterns can be easily adjusted to reduce the larger flush volume to 4.5 litres after installation.
MIRRORS & CABINETS
A collection of innovative & functional designs
HEATED DEMISTER PAD
All the mirrors come with heated demister pads, making steamy mirrors a thing of the past. These pads heat the mirror to a few degrees above room temperature within 2-3 minutes, preventing the mirror from misting in even the steamiest of bathrooms. The demisting effect will spread approximately 10-20% further than the pad itself.

NO TOUCH INFRARED ON/OFF SWITCH
All Bauhaus mirrors are equipped with a no touch infrared on/off switch situated on the side of the mirror, thus removing fingerprints from the mirror surface or pull switch.

IP44 RATED CLASS 1 RATED
All mirrors are IP44, Class I rated and suitable for installation in Zones 2 and 3 of a bath or shower room. See page 285 for more information on electrical safety and installation.

5MM MIRROR GLASS
PVC film backed safety glass complying to EN62061961 that avoids dangerous shards being created in case of an accident. A special treatment is also applied to the mirror edge that prevents the risk of mirror edges becoming discoloured.

LED LIGHTING
Providing superb function with fabulous decorative style, all mirrors feature the latest high luminosity, low energy consuming LED lighting, Cool White 6400k.

LANDSCAPE & PORTRAIT MOUNTING (except Edge)
Most of our mirrors can be hung at landscape or portrait positions. Where this facility is available, the sensor switch is located on the bottom left and side for a portrait hung and bottom right hand side for landscape hung.

Important notes
Mirrors must be mounted so that the sensor switch is a minimum of 150mm from an adjacent wall or obstruction to ensure function of the sensor switch.

For a mirror is mounted portrait, the sensor is located on the bottom right hand edge of the mirror. In mounted landscape, the sensor switch is located on the bottom left hand corner. All mirrors are IP44, Class I rated and suitable for installation in Zones 2 and 3 of a bath or shower room, see page 285 for more information on electrical safety and installation.

- **Chrome door pull**
- **Reversible double side mirrored door**
- **Cabinet is supplied as standard for recessed installation, with conversion kit for surface mounting included**
BASINS

A comprehensive range to suit all tastes
To find your local retailer please visit our website or see page 8 for more information.

** BASINS **

Whether you’re sourcing for a small cloakroom, a luxury designer suite or practical family bathroom, it’s important you choose the right style of basin. With such a vast range of designs you’ll feel spoilt for choice so, we’ve created the definitive UK guide below to help you choose a style.

** STYLE FINDER **

COUNTERTOP 250

Mounted onto a worktop console or piece of vanity furniture, this style of washbasin provides ample storage below for a variety of bathroom items, while also concealing the plumbing. Thoughtfully designed, full countertop basins are finished all the way around to allow you to beautifully accessorise with a mirror that can be hung directly behind.

BACK TO WALL COUNTERTOP 250

A flexible design that’s suitable for mounting onto a vanity unit or within a worktop, this style can also be wall hung. Depending on your preference for fitting, if you choose to install in a vanity unit or worktop, a hole needs to be cut and waterproofed to accommodate the basin. The design features pre-drilled holes at the back should you wish to wall hang, therefore it’s unsuitable to feature a mirror behind.

WALL MOUNTED 262

The most popular basin style, selected ranges can also function as a practical counter-top. Convenient to install, extra care should be taken when mounting to a solid or external wall. Depending on the size and weight of the washbasin, it’s advisable to fix the basin to a mounting board behind a stud-framed wall. For secure installation, pre-drilled holes on the back edge needs to be cut and waterproofed to accommodate the basin. The design features pre-drilled holes at the back should you wish to wall hang, therefore it’s unsuitable to feature a mirror behind.

UNDERMOUNT 266

This style of basin is fixed to the underside of the worktop and must be securely fixed using a metal bracket and silicone. A designer touch, this style is the perfect solution to utilitarian schemes with a minimal taste. An inset basin style can be simply placed onto a furniture carcass or by cutting out the area of your worktop. A stunning finish, this style of washbasin creates a stunning feature in any style of bathroom. Choose from two designs to subtle curvaceous shapes to complement your scheme.

** BAUHAUS IT’S ALL ABOUT YOU **

**FUNCTIONAL DESIGN WITH COMPLEMENTARY BRASSWARE AND BASINS**

Selecting the right tap for your basin is essential to achieve your desired look and performance. Always select the basin before the tap fittings and ensure you choose a washbasin that can accommodate your choice of tap. When choosing a basin and mixer, consider your water pressure. Higher water pressures or pumped water supply systems will influence the suitability of your chosen tap and basin, so take note of your water pressure. A high pressure reducing valve or flow restrictor will add to the flexibility of choice you have. Please seek advice from your retailer.

**General**

Check if the basin comes with tap holes. For basins without tap holes, you’ll need a tap mixer with a longer spout because of the extra height of a wall mounted tap. Always select the basin before the tap fittings as some mixers are restricted to use only for certain basins. Ensure you choose a washbasin that can accommodate your choice of mixer. Wall basins are available in a variety of sizes and shapes and often the style and finish of mixer can play a large part in a basin’s choice of washbasin. Note: Higher water pressures or pumped water supply systems may also influence the size of basin and performance of tap used.

**Cleaning/Maintenance**

Regular cleaning with a mild detergent and clean sponge will keep your white basin in excellent condition. Periodic treatment with a lime scale remover may be required in hard water areas.

Please see page 274 for our wide range of basin waste options.
Taking its cue from ancient fine art, our latest collection of beautifully formed basins has been created to offer pioneering ceramic design with stunning visual appeal. Featuring a creative mix of shapes from organic, elegantly refined forms to slender architectural designs and squared styles with softened angles, Gallery basins are also a leap forward in ceramic technology. Produced from fine fire clay that allows for more complex designs and a super-slim wall profile, this incredibly durable product is light in weight too. Finished in a white glaze, opt for our superlative ‘Platinum’ finish for a glamorous hint of luxury in any bathroom.

BAUHAUS IT’S ALL ABOUT YOU
WHITER THAN WHITE FOR THAT SHARP MINIMAL LOOK

The Alice basin is made from cultured mineral marble which is produced from natural mineral and stone particles, polyester and resin bonding agents. Cast in specially made moulds the basins are finished in a tough, hardwearing scratch resistant Gelcoat® with a perfect white gloss finish.

The uniform surface is warm to the touch by cleverly adapting the ambient room temperature. The surface finish unlike ceramic lacks any pores or gaps so is easy to maintain and clean.

Basins should be cleaned using our Mineral Marble Basin Cream Cleaner Polish 150g bottle SD150RW £20.00

BAUHAUS
IT’S ALL ABOUT YOU
WALL MOUNTED BASIN FILLERS

To achieve more space around the basin area, use a stunning, user-friendly wall mounted tap. There are varying spout lengths to suit all basin styles and some genuinely amazing water effects on selected models.
FURNITURE / INSET BASINS

A great choice for a designer look, inset basins create a modern finish when teamed with bathroom vanity units. Available to purchase with a range of Bauhaus' furniture designs, this basin style can also be easily placed into any carcass or worktop by cutting out the required area. With a choice of contemporary linear designs to subtly curvaceous shapes, this basin style sits close to the worktop making it a practical yet stylish choice for any bathroom scheme.

CELESTE

A design that oozes contemporary appeal, the Celeste basin is one of the largest basin furniture designs from Bauhaus, offering a choice of three spacious sizes all of which feature gentle curves and simple detailing.

See Page XX

SVELTE

Featuring graceful curves and a silky smooth surface, the range of Svelte basin units bring a touch of chic style to contemporary and even traditional bathroom designs.

See Page XX

ESSENCE

A compact yet smart solution for the bathroom, the integrated Essence washbasin is ideal for compact spaces, as well as those looking for a simple vanity unit and storage combination entwined into one.

See Page XX

ELITE

A masterpiece of modern design, the Elite range offers bold angular lines and a generously deep washbasin, mounted on top of a modern under-basin storage unit.

See Page XX

GLIDE II

A new standard of ceramic, the innovative Plus+ on surface is completely scratch-proof as well as being almost 100% eco-friendly. The core fireclay has been specially formulated to create the densest, strongest yet smoothest ceramic.

See Page XX

PIER

Exuding modern design alongside superior functionality, the Pier range offers a practical solution for bathrooms of any size.

See Page XX

SOLO

Compact in size but big on style, Solo features a smooth basin surface crafted from cast mineral marble, inset into a single drawer storage unit.

See Page XX

DESIGN

A versatile design suitable for all bathroom schemes, the Design basin range is available in a choice of cast mineral marble or vitreous china, both of which offer a superior finish.

BASIN & FURNITURE COMPATIBILITY

We want your bathroom to be completed just as you had imagined. To ensure your basin is compatible with the furniture you’ve chosen, use this handy table on the opposite page.

Furniture: Seattle Steel   Basin: Hattie

Furniture: Seattle Walnut   Basin: Air 60

Furniture: Seattle Steel   Basin: Castellon Plus Platinum

BAUHAUS IT’S ALL ABOUT YOU
COMPLEMENTING RANGES

To ensure your bathroom functions and looks as good as you have expected it to, we have carefully selected ranges that not only complement each other beautifully, but ensure that their designs are also compatible. For a truly harmonious scheme, browse the ranges in the table opposite to help you select the best ranges to suitably mix and match.

The above Bauhaus basin list is not definitive, merely those best suited for our furniture collections. Recommend extended waste when fitting a basin to Seattle.

Whether you prefer a click clack or free flow design, our basin wastes can be fitted with ease into either slotted or un-slotted basin styles. Truly versatile with little maintenance, they will work with a variety of basin materials including thin ceramic, cast marble or glass.
TOWEL WARMERS

A high quality collection of elegant styles
Combining up-to-date styles with the latest in thermal technology, the new range of Gallery towel warmers is guaranteed to make a statement in any bathroom. Manufactured using high-grade steel, each individual design provides superior heat output and plentiful hanging space for drying towels quickly and efficiently.

- **Highest quality, low carbon steel ensuring product longevity to EN10305-5**
- **10 Year Guarantee**
- **Each towel warmer is leak tested twice during the manufacturing process**
- **Curved rails are created using Free Form bending, resulting in 100% accurate internal and external curvatures for better water flow and heat output**
- **1,000 hour salt spray tested**
- **Introducing Oxsilan®, a state-of-the-art and eco-friendly corrosion protection process that is used in premium car bodies. A single layer coating offers the same degree of corrosion protection as ten times thicker zinc phosphate layers. This reduces material consumption, pre-treatment times and increases productivity through a genuinely eco-friendly production process**
- **All rails use the very latest 3D laser technology for cutting and boring/tubes, for the highest quality finished product, performance and longevity**
- **Copper infused welding technology ensures all gaps are correctly sealed and provides an invisible joint**

To complete the look, the coordinating valves beautifully finish the overall appearance, whilst ensuring your Towel Warmer continues to perform as it should.

These Radiator Valves are suitable for all Bauhaus Towel Warmers.

- **Square Angled Valve** 
  RADV2 £50.00
- **Square Straight Valve** 
  RADV2 £50.00
- **Round Angled Valve** 
  RADVA1 £35.00
- **Round Straight Valve** 
  RADVS1 £35.00
- **Round Corner Valve** 
  RADVC1 £55.00
- **Belle Angled Valve** 
  RADVA3 £50.00
- **Belle Straight Valve** 
  RADVS3 £50.00

Summer Heating Elements

Also known as dual fuel or dual energy. Connected to a central heating circuit and including an electrical element that allows operation in summer months when the central heating is not in use.

These elements are suitable for all Bauhaus Towel Warmers.

- **Electric Element 150w** 
  RADX300 £75.00
- **Electric Element 300w** 
  RADX350 £80.00
- **Electric Element 600w** 
  RADX700 £89.00

Chrome Heating Elements

- **Chrome Heating Element 300w** 
  RADX300C £195.00
- **Chrome Heating Element 600w** 
  RADX600C £195.00

Chrome Pipe Wall Cover

- **Chrome Pipe Wall Cover** 
  RADPIPEC £15.00
  15 x 300mm

Standard Heating Elements

- **Electric Element 150w** 
  RADX300 £75.00
- **Electric Element 300w** 
  RADX350 £80.00
- **Electric Element 600w** 
  RADX700 £89.00

All Summer Heating Elements are IP54 rated.

Summer Heating Elements are supplied with T Piece.

Please refer to the bathroom zone diagram when using electrical components within the bathroom environment, see page 302. The summer element is equipped with a thermal fuse that will cut out at 65°C, with a total shut down safety setting at 78°C.

These elements are suitable for all Bauhaus Towel Warmers.

To find your local retailer please visit our website or see page 8 for more information. www.bauhaus-bathrooms.co.uk

## FUNCTIONALITY

These heating elements use the latest intelligent heating and safety technology. Featuring two temperature settings of 45°C or 60°C, an in-built electronic temperature sensor ensures precise control with a smart 2-hour timer featured as standard. Simple to use with a single control button for all functions, the device displays its current operating mode using multi-coloured LEDs. The heating element has very low power consumption when in standby mode 0.5w.

## SAFETY

Featuring an active safety feature that initiates in the event of dry radiator operation, the heating element is equipped with a temperature sensor and thermal fuse (double overheating protection). The element will display warning indicators in the case of malfunction. Rated I, IPX5

## SLEEK AND UNOBTRUSIVE

A subtle add-on to your choice of rail, the elements fit easily inside the rail, blending seamlessly with the collector profile so becoming an integrated part of your Towel warmer.

These elements are suitable for all Bauhaus Towel Warmers.

| TOWEL WARMERS  TECHNICAL INFORMATION

Metallic Black Matte / Soft White Matte Finishes

Chrome Finish

Chrome® providing up to 65% more protection than standard zinc coating. Each rail is 100% wheel-polished and sandblasted then electrochemically de-greased and bleached to prevent oxidising, ten: Nickel Primer 3micron / Copper coat 20-25 micron (for flatter surface and enhanced protection) / Nickel 20-25 micron / Chrome finish 0.5 micron - Result level 10 chrome plated finish

Towel Warmer projection is between 75 - 100mm.

Supplied with complete wall fixings and manual air vent.

Manufactured from high grade mild steel conforming to EN 10305.

Fitted with 1/2" BSP female connections.

Tested to EN 442 Δ T = 50K.

*Summer Heating Elements are supplied with T Piece. To find your local retailer please visit our website or see page 8 for more information: www.bauhaus-bathrooms.co.uk
ELECTRICAL INFORMATION

The diagram below is supplied as a guide to Bathroom Zones as referred to in IP ratings of the over mirror lamps and electric heating elements. Please refer to the latest edition of BS 7671:2008(2011) to ensure conformity.

It is important to install light fittings and electric Towel Warmer elements in the correct bathroom zone i.e. the zone referred to in the IP rating of the element. This is not an installation guide and reference should be made to the latest edition of the IET Wiring Regulations or a qualified electrician member of NICEIC or IET.

Zone 0 is inside the bath or shower tray itself. Any appliance used in this zone must be rated at least IP67 which is total immersion proof.

Zone 1 is the area above the bath or shower tray to a height of 2.25m from the floor. In this zone a minimum rating of IP44 is required and elements must also be protected by a 30mA residual current device (RCD) to protect the circuit. The electrical connection to the power supply for these appliances must be in Zones 2/3 of the bathroom in compliance with BS 7671:2008(2011) - IEE Wiring Regulations.

Zone 2 is an area stretching 0.6m outside the perimeter of the bath and to a height of 2.25m from the floor. In this zone an IP rating of at least IP44 is required. In addition it is good practice to consider the area around a washbasin, within a 60cm radius of any tap to be considered as zone 2.

Bauhaus IP44 lamps come without a pull switch, and are designed to operated via an existing and suitable room light switch.

Failure to have electrical products installed and certificated by a qualified electrical engineer will invalidate any product guarantee.

For full details reference should be made to the latest copy of the IEE wiring regulations and all applicable British Standard and European norm specifications.

TERMS & CONDITIONS

PRICES

The prices listed in catalogues, price lists and on our website are indicative of those available at the time. Prices are exclusive of any applicable VAT, and are subject to change without notice. PRICES

DELIVERY

Orders in excess of £100.00 net invoice value will be subject to carriage charge and will be delivered within two working days from receipt of order. Orders below £100.00 will be subject to a carriage charge of £20.00. All clients are responsible for ensuring that the goods are appropriate for the application. Goods not required must be returned promptly to avoid installation issues. Technical drawings are available on request.。

RETURNED GOODS

Returns to receive goods must be made within 7 days of delivery. All claims must be accompanied by a purchase receipt and and the product details. A restocking charge of 15% will be applicable to returned goods. Goods returned within 14 days of receipt may be returned for testing or inspection at any point but must be provided with proof of purchase. Special orders are non-refundable. Collection will only be made from point of delivery. Charges will not be collected once the goods have been sent to a third party.

RETENTION OF TITLE

Ownership of goods shall remain in the Company until full payment has been received for all goods comprised in the contract. Any goods are delivered under sale on order to the Company's right of ownership shall be transferred to the vendor on the terms of sale or to the invoice for such property.

LIABILITY

All quotations are given and goods sold subject to the conditions that the seller's liability for the goods supplied to have been detected in material or workmanship when they left the sellers works. The seller's liability is limited to the goods and workmanship and are not subject to prior notice. LIABILITY

PRODUCT COMPATIBILITY

Whilst the majority of Bauhaus products are compatible, care should be taken in product selection prior to ordering to avoid installation issues. Technical drawings are available on our website or on request. PRODUCT COMPATIBILITY

GENERAL

The colour and finishes reproduced in the brochure are as accurate as the photography and printing process allows but may vary from the actual colour. Product tone stated are nominal and should be checked against product. It is strongly recommended that all bathrooms are well heated and ventilated. It is the responsibility of the individual installer to ensure that these products are fitted correctly and in line with the instructions provided. Failure to comply with the recommended fitting instructions will invalidate the guarantee. GENERAL

EASY INSTALLATION

Colours, Design, Title, Lines and Solid wall hung furniture incorporates a factory-fitted hanging system that allows safe and simple installation. Some furniture products are modelled for left or right hand door opening.

INSTALLATION NOTES

When installing a wall hung panel or wall shelf please ensure that appropriate fixing or suitable framework are used. When purchasing a wall hung panel, wash basin or toilet unit Bauhaus does not supply any fixing. We strongly recommend all fixings and accessories be of a high quality and should be suitable for the product. One additional and final quarter turn using a suitable spanner is sufficient to create the required watertight seal. Care should also be taken when fitting into recesses to top platforms in order to prevent similar stress related failures. All products should be inspected before attempting installation.

CARE AND CLEANING

Bauhaus furniture, ceramic and accessories are made to the highest standards, by following the simple guidelines below will provide you with many years of enjoyable service. GENERAL

Bauhaus does not supply any fixings. We strongly recommend that all bathrooms are well heated and ventilated. It is the responsibility of the individual installer to ensure that these products are fitted correctly and in line with the instructions provided. Failure to comply with the recommended fitting instructions will invalidate the guarantee.

We recommend regular application of Bauhaus Mineral Basin Cream Polish SD150RW which will assist in preventing the build up of lime scale and retain the gloss finish.

Towel Warmers

Should be cleaned when cold with a soft cloth or micro fibre duster. Any stubborn surface or decorative marks can be cleaned with Maxi® Metal Polish Cream. This will leave a long lasting, fingerprint resistant finish.

PRODUCT GUARANTEE

All Bauhaus products which otherwise stated to a 50 year guarantee, which covers all manufacturing defects. This guarantee does not cover damage during fitting or misuse. GENERAL

• The guarantee is only available to original purchasers who have proof of purchase.
• If the product has been installed, Bauhaus must be given the opportunity to inspect the product in the fitted condition.
• If the product is defective in material or manufacturing the original purchaser must contact our Technical Department within 30 days of the fault occurring. Faults that is not noticeable at the time of installation, the products does not cover any product that has been altered or installed in any way without the prior written consent of Bauhaus.
• If a claim is made under this guarantee and the defect is not due to faulty materials or manufacture Bauhaus reserve the right to charge for the cost of all hourly rate in respect of any fee engineering time.
• The guarantee is only valid for products purchased, installed and used in the United Kingdom.
• The guarantee does not cover installation errors.
• The benefit of this guarantee cannot be transferred to a third party.

The guarantee is in addition to and does not affect your statutory rights.

In the interest of continuing design development and product improvement Bauhaus reserve the right to change colour, designs and product specifications without prior notice.
