thermostatic valves

Our horizontal valves offer a contemporary and stylish alternative to a standard concealed valve. The dual control feature allows the flow and temperature to be controlled independently whilst also diverting between shower head and handset.

[equate]

CODE 9380 £312

Horizontal Round Triple Valve

Minimum Operating Pressure 0.2 Bar

INSTALLATION
81-91mm CAVITY NEEDED

[observa]

CODE 9381 £312

Horizontal Square Triple Valve

Minimum Operating Pressure 0.2 Bar

INSTALLATION
81-91mm CAVITY NEEDED

Single Push Button Concealed Valve

The single push button concealed valve will operate one shower accessory - a fixed head or a slide rail kit.

Twin Push Button Concealed Valve

The twin push button concealed shower valve will operate two shower accessories which can operate at the same time or independently.

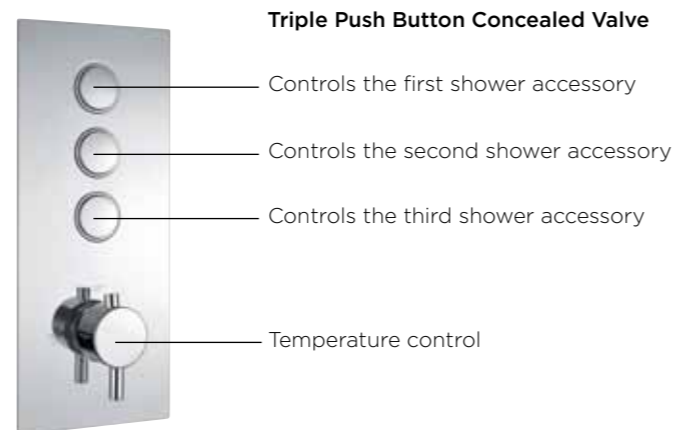

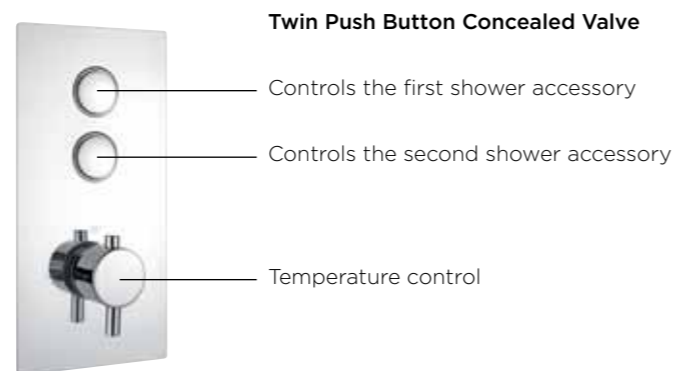

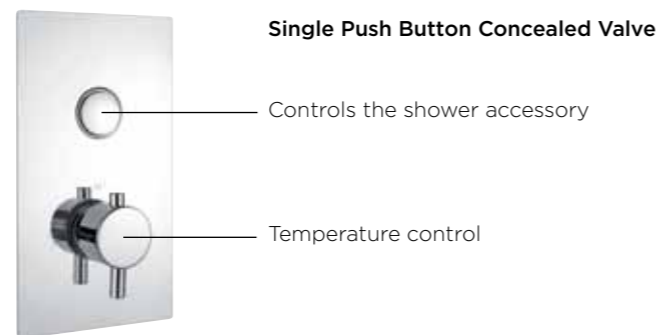

Triple Push Button Concealed Valve

The triple push button concealed shower valve will operate three shower accessories which can be controlled at the same time or independently.

Features

- Chromed concealing plate
- Flow and temperature are controlled separately
- Thermostatic cartridge maintains showering temperature to +/- 2 °C
- Ceramic disc flow control cartridge
- Automatic shut-off in the event of cold water supply failure, to prevent scalding
- Temperature factory set to a 38°C to eliminate the ability to select an unsafe temperature
- Lifetime guarantee

accessories

Products that feature the WRAS logo have been tested and are fully compliant with the requirements of the Water Supply Regulations and Scottish Byelaws. WRAS Product Approval demonstrates that the water fitting should not cause waste, misuse undue consumption or contamination of the water supply and must be 'of an appropriate quality and standard'.

TMV2 certification demonstrates that the product is suitable for installation in domestic properties and meets the recognised standard of thermostatic control. Purchasing a TMV2 compliant valve ensures users a safe and comfortable showering experience.

Guarantee Information

Niagara® guarantees cover all manufacturing defects. This guarantee does not cover damage during fitting or misuse. The guarantee applies only to the original purchasers of the product and is not transferable. All Niagara® chrome taps and showers carry a Lifetime Guarantee, products with finishes other than chrome are guaranteed for 3 years. To register your guarantee visit: www.niagarabathrooms.co.uk

Prices

The prices included within this brochure supercede all previous publications with goods being invoiced at prices ruling on date of dispatch. Prices shown are inclusive of VAT and are subject to alteration without notice.

Errors & Omissions

In the interest of continuing design and development and product improvement, Niagara® reserve the right to change colour, designs and product specifications without prior notice. All colours/finishes in this brochure are as accurate as the printing process will allow.

Measurements

All dimensions are in millimetres and are nominal, they are provided as guidance only.

Wastes

Wastes are not supplied with freestanding taps, wall mounted taps, bath taps, bath fillers and bath shower mixers.

Cleaning Instructions

Clean with a soft cloth and avoid surfactants and heavily perfumed products. Do not use abrasive scrubbing cleaners or equipment for cleaning.
