

AFTERCARE INSTRUCTIONS

Your fitting has a high quality finish and should be treated with care to preserve the visible surfaces.

All surface finishes will wear if not cleaned correctly, the only safe way to clean your mixer is to wipe with a soft damp cloth. Stains can be removed using washing up liquid. All bath cleaning powders and liquids will damage the surface of your fitting, even the non-scratch cleaners. **NOTE: Never use abrasive detergents or disinfectants or those containing alcohol, hydrochloric acid or phosphoric acid.**

GUARANTEE

All products are manufactured to the highest standards and a 5 year guarantee covers any defect in manufacture.

NOTE: The 5-year guarantee on the cartridge is invalidated if damaged by any waterborne debris.

All products must have access for servicing or replacement during the life of the product.

In the interests of continuous product development we reserve the right to alter specification as necessary

BRISTAN

Horizontal Extension Pipes For Bibs Taps (BTE C/G/BN)

Fitting Instructions

Please keep these instructions for future reference and request of replacement part

These bib tap extensions are intended to be used with Bristan bib taps.

INSTALLATION

1. Identify all components and check for completeness, particularly before commencing installation.
2. Fit the tap extensions to the bib taps.
3. Fit the bib taps as required in the installation manual. (supplied with bib tap)
4. Connect the hot and cold water supplies.
5. Fully open both valves, letting them run for a few minutes to flush the system and check all joints and connections for leaks.
6. See back page for aftercare instructions.
