Tap operationDual leverTap rotation360°Product IdentificationFRANKEProduct brandFRANKEProduct familySmartModel rangeHestiaPropertiesEco water savingNoNo	Pressure	High pressure
Tap rotation360°Product IdentificationFRANKEProduct brandFRANKEProduct familySmartModel rangeHestiaPropertiesEco water savingNo		Swivel
Tap rotation360°Product IdentificationFRANKEProduct brandFRANKEProduct familySmartModel rangeHestiaPropertiesEco water savingNo	Tap operation	Dual lever
Product IdentificationProduct brandFRANKEProduct familySmartModel rangeHestiaPropertiesEco water savingNoNo	Tap rotation	360°
Product familySmartModel rangeHestiaPropertiesEco water savingNo		
Model range Hestia Properties Eco water saving No	Product brand	FRANKE
Properties Eco water saving No	Product family	Smart
Properties Eco water saving No	Model range	Hestia
	Properties	
Type of aerator Honeycomb	Eco water saving	No
	Type of aerator	Honeycomb
