FINISH : **Chrome** | INSTALLATION TYPE : **Sink/Worktop** | INSTALLATION TYPE : **Sink/Worktop** | FAMILY : **Instant boiling water taps** | SERIE : **3-in-1 Tap** | MODEL : **Minerva Original** | SERIE : **Minerva 3-in-1 Tap**

The Minerva Original 3-in-1 tap provides hot, cold and 100°C boiling water. Safety is assured with a two-step safety handle, while fully insulated spout and handle ensures that they both stay cool to the touch. Discreet and suitable for almost any kitchen, the horizontal heating tank sits neatly behind a standard 150mm cabinet plinth, freeing up much-needed cupboard space. The boiling water control can be positioned on the left or right side.

IMPORTANT

Please be aware of your water pressure before purchase. If your water pressure is too low, the installation of a pump should be investigated. If your pressure is too high, the inclusion of a pressure reducing valve (not supplied) in the system will be necessary.
