FAMILY : Waste Management | SERIE : Franke Turbo Elite | MODEL : Slimline TE-75S | FINISH : Other

A Franke Turbo Elite Waste Disposal Unit is designed to free the kitchen of unsightly and unhygienic household waste, and is the essential add-on for ensuring that your kitchen remains looking immaculate. Thanks to a permanent magnet motor, Franke WDUs reach high speed in a split second, producing more torque per kilo than any other of its type. Whilst running water through the unit, food waste is instantly liquefied into fine particles that are easily flushed through the pipework system. Includes integrated Air Switch. Includes antibacterial protection for odour control.

This is a slimline model ideal for fitting into 1.5 bowl sinks where space may be limited.

An Extended Flange is available separately for fitting your WDU to a Ceramic sink.
