Dimensions (measurements in mm)

A8 HINGE DOOR & SIDE PANEL

760mm Wide Door

Product Code A8SHOWER20

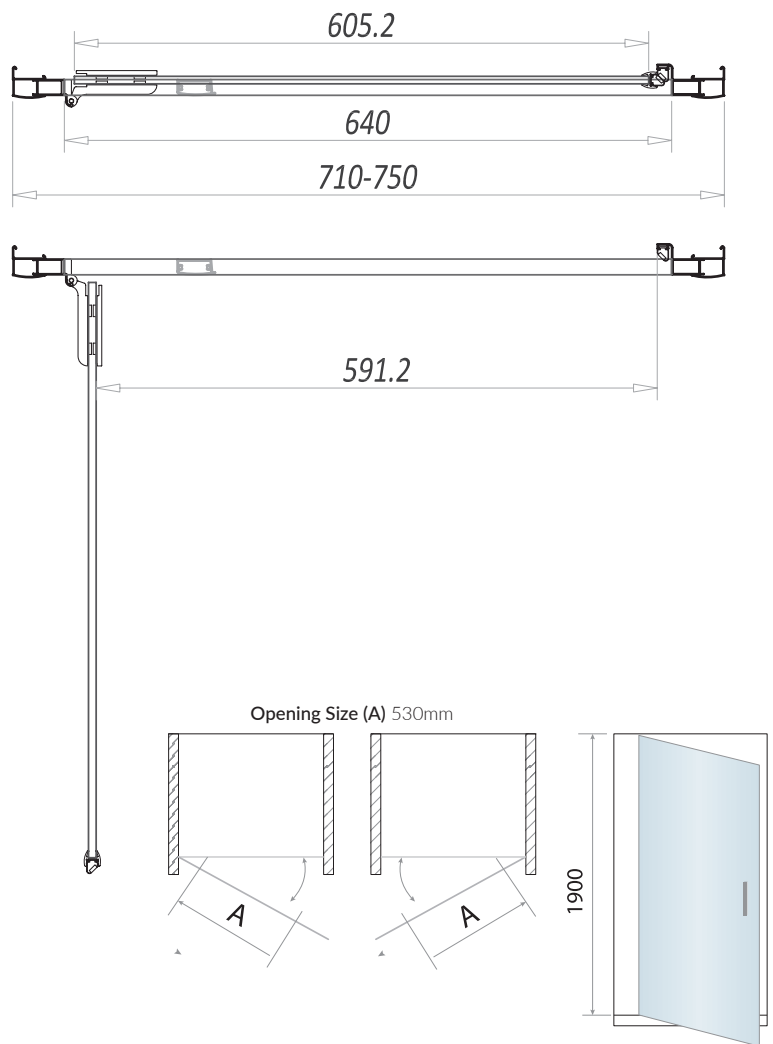

Features

- 1900mm in height
- 8mm toughened safety glass
- Concealed fixings
- Protective coating applied for easy cleaning
- Lifetime guarantee
- Large adjustment for out of true walls and easy installation
- High quality hinges
- 710 - 750mm adjustment

Product Certification

- Finish: Silver Anodize per EN12373-1
- Glass: Toughened to EN12150-1
- Rails: Aluminium Alloy 6063

Dimensions (measurements in mm)

A8 HINGE DOOR & SIDE PANEL

800mm Wide Door

Product Code A8SHOWER21

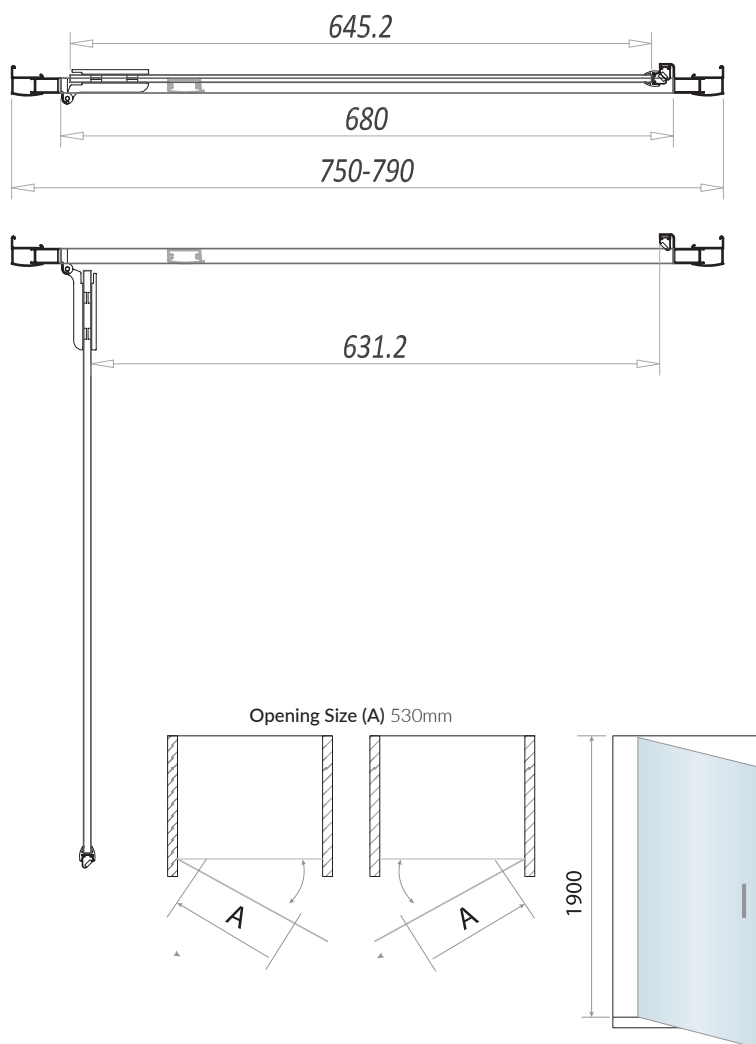

Features

- 1900mm in height
- 8mm toughened safety glass
- Concealed fixings
- Protective coating applied for easy cleaning
- Lifetime guarantee
- Large adjustment for out of true walls and easy installation
- High quality hinges
- 750 - 790mm adjustment

Product Certification

- Finish: Silver Anodize per EN12373-1
- Glass: Toughened to EN12150-1
- Rails: Aluminium Alloy 6063

Dimensions (measurements in mm)

A8 HINGE DOOR & SIDE PANEL

900mm Wide Door

Product Code A8SHOWER22

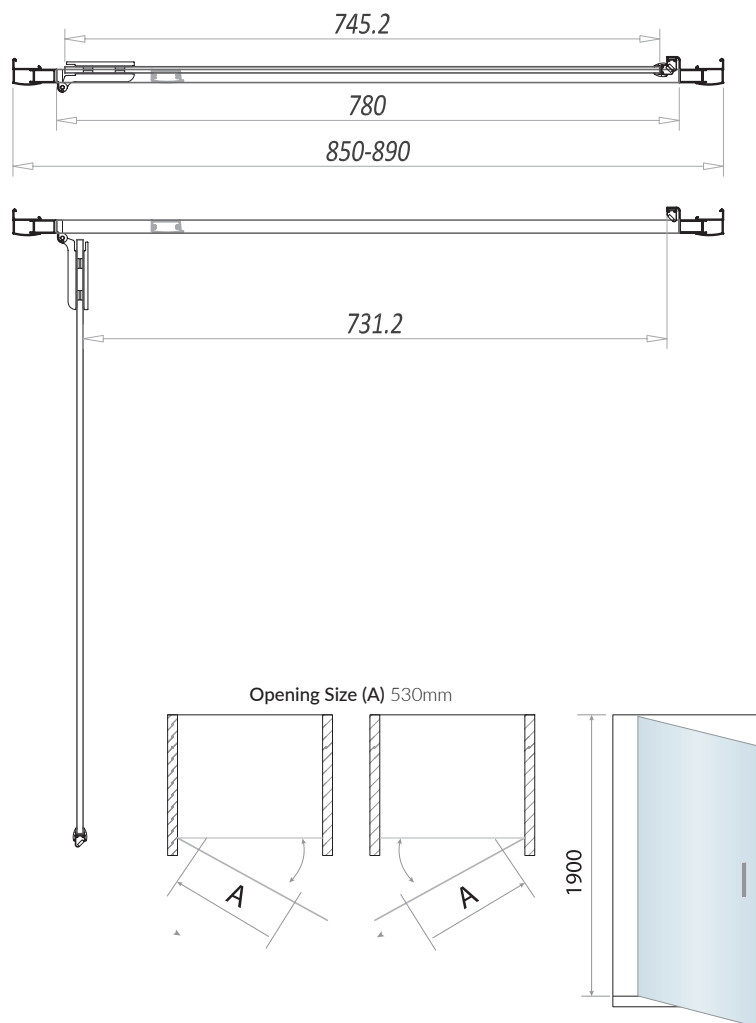

Features

- 1900mm in height
- 8mm toughened safety glass
- Concealed fixings
- Protective coating applied for easy cleaning
- Lifetime guarantee
- Large adjustment for out of true walls and easy installation
- High quality hinges
- 850 - 890mm adjustment

Product Certification

- Finish: Silver Anodize per EN12373-1
- Glass: Toughened to EN12150-1
- Rails: Aluminium Alloy 6063

Dimensions (measurements in mm)

A8 HINGE DOOR & SIDE PANEL

1000mm Wide Door

Product Code A8SHOWER23

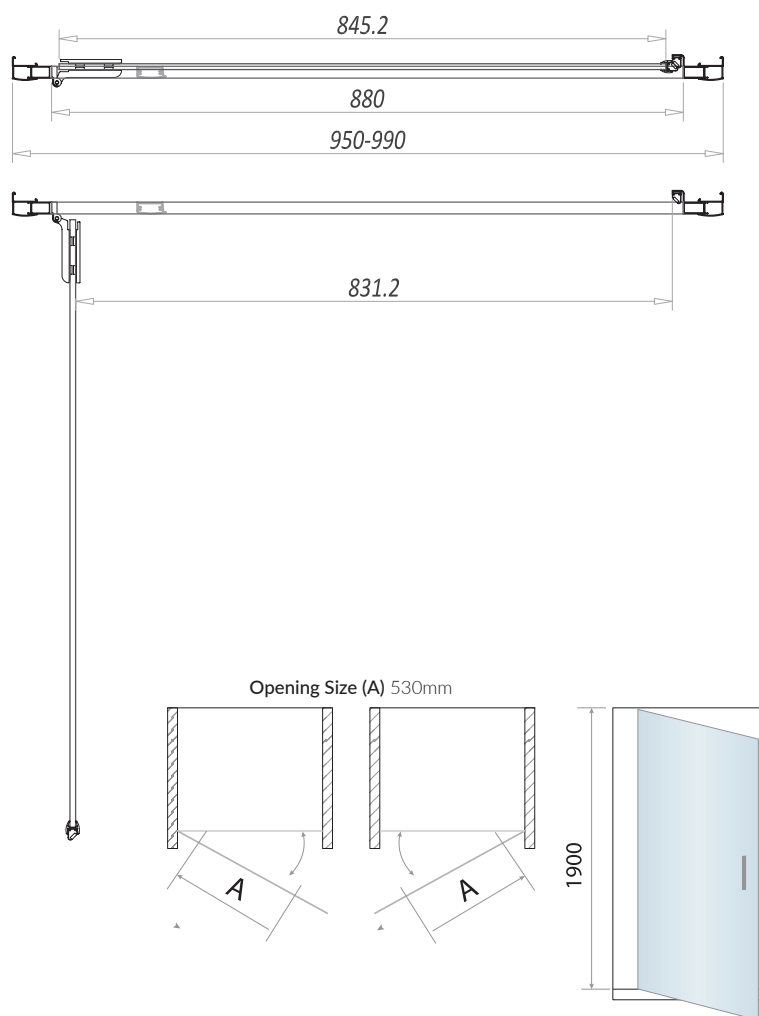

Features

- 1900mm in height
- 8mm toughened safety glass
- Concealed fixings
- Protective coating applied for easy cleaning
- Lifetime guarantee
- Large adjustment for out of true walls and easy installation
- High quality hinges
- 950 - 990mm adjustment

Product Certification

- Finish: Silver Anodize per EN12373-1
- Glass: Toughened to EN12150-1
- Rails: Aluminium Alloy 6063

Dimensions (measurements in mm)

A8 HINGE DOOR & SIDE PANEL

700mm Wide Side Panel

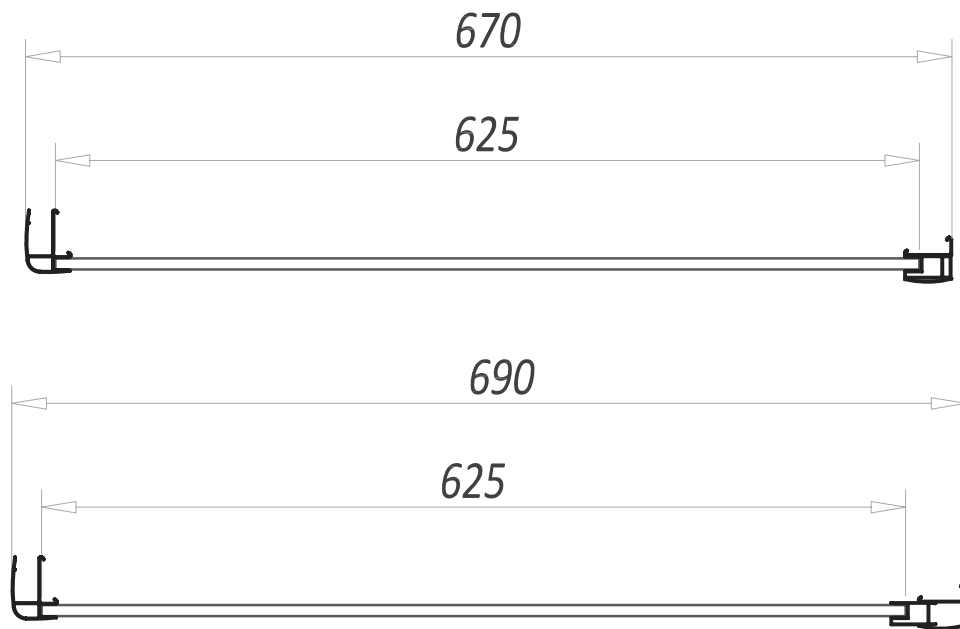

Product Code A8SHOWER27

Features

- 1900mm in height
- 8mm toughened safety glass
- Concealed fixings
- Protective coating applied for easy cleaning
- Lifetime guarantee
- Large adjustment for out of true walls and easy installation
- High quality hinges

Product Certification
